100. (4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten day of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to

the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

NOTICE OF PUBLIC HEARING

NOTICE is hereby given that the Honourable Ray Williston, Minister of Lands and Forests, has requested me to advise the Government concerning the allegation that tree-farm licensees bidding for unalienated Crown timber either within or without public sustained-yield units (public working circles) have, on competitive sales, an unfair advantage over other bidders not holders of tree-farm licences. It has been alleged such licensees, assured of the allowable cut from the licensed areas at appraised prices, are thus able to bid up competitive sales and, by prorating the cost of stumpage from timber acquired at upset appraised prices from

the licensed areas with the bid prices over upset on public competitive sales, are thus able to acquire timber at a more advantageous over-all cost than those operators who do not hold tree-farm licenses.

If the facts support this allegation, it has been suggested for consideration as one method of remedying this situation that in the event of competitive bidding where a tree-farm licensee is the successful bidder, the amount by which his bid exceeds the unit upset price of the timber sale shall forthwith be added to the unit price covering an equal volume on a current cutting permit within the tree-farm licence area.

And further take notice that I, acting as Royal Commissioner, intend to hold public hearings at the City of Victoria, in order to determine the validity of the allegations set out above and to consider, if the facts so warrant, what remedial measures, if any, should be adopted.

And further take notice that such hearings shall commence on Monday, the 14th day of July, 1958, at the Court-house in Victoria, at 11 o'clock in the forenoon.

And further take notice that all persons whose interests may be affected and who intend to appear and make representations concerning the allegations set out above and what, if any, remedial provisions are required to be adopted are requested to furnish the Commission, on or before the 7th day of July, 1958, with fifteen copies of a brief of their proposed submissions, addressed to Captain F. G. Hart, Commission Secretary, at 317 Central Building, Victoria, B.C.

Dated at Victoria, B.C., this 1st day of May, 1958.
